**Farmingville, NY** – On March 29, Councilman Michael Loguercio (left) welcomed the Mendoza family to their new home in East Patchogue which was recently renovated by volunteers working with Habitat for Humanity of Suffolk. Pictured with the Councilman are (left to right) daughters Gloria and Britney, and the new homeowners Jaharia and Milton Mendoza.

Councilman Loguercio said, "I remember being here at this very site as construction began in July 2017, and now to see this beautiful home completed and ready for this wonderful family to occupy. It is a special moment and I thank the many sponsors, agencies and volunteers who were instrumental in seeing this project through to fruition. We couldn't be more excited to be a part of the dedication ceremony with the Mendoza Family. I welcome them to this great

community and wish them many years of happiness together in their beautiful new home."

Habitat for Humanity is an international, non-governmental, and nonprofit organization which was founded in 1976. It's mission is to build "simple, decent, and affordable" housing, and has addressed the issues of poverty housing all over the world. This home represents the 173rd completed by Habitat for Humanity of Suffolk since 1988.
